Excerpts from Rule Book

“LEAD LINE – Participants will be eligible for year-end awards only if they participate in four (4) or more shows. No places are recorded; rather members will receive one point for each show in which they participated. Lead Line Poles will have the same requirements as Lead Line Barrels.

RODEO, & JACKPOT MONEY – At least fifty percent (50%) of the money must be earned in Arkansas. To figure money, add all Arkansas money and multiply by .50. This will give countable out-of-state money that can be added to your total winnings. Any **OUT-OF-STATE MONEY** will be put in “an account” (on hold) until the point cutoff for that season, or enough in-state money has been won to add to your total.

Only eight (8) Rodeo/Jackpot winnings can be turned in for Rodeo/Jackpot Division points per month.

Member must attend four (4) A.B.R.A. events per year to be eligible for year-end awards. Major Money Maker events will qualify as one (1) event only.

Only one (1) money per event may count. You may count up to two different (2) jackpots per day.”
